

With Atrium Health's long-term, community-first investment, NHRMC will continue to thrive for years to come.

“As the only finalist with a long-standing relationship with New Hanover Regional Medical Center, Atrium Health would be proud and honored to build upon our commitment to the communities in Southeastern North Carolina to improve health, elevate hope and advance healing – FOR ALL.”

– **Eugene A. Woods**
President and CEO
Atrium Health

Atrium Health is ready to invest billions in NHRMC and the surrounding Southeastern North Carolina community.

Significant resources will be dedicated to creating a local **Community Foundation** to address key health initiatives and health disparities in the region.

We will invest in the development of a new facility to address the **behavioral health and substance abuse needs** in the community.

Atrium Health is a **nationally recognized leader in health equity** and number one among finalists in providing community benefits and free and uncompensated charity care.

Atrium Health's proposed partnership model allows NHRMC to retain local ownership and decision making.

Atrium Health believes **local decision making is vital** to the long-term success of our partners.

New Hanover County will **not have to sell** your hometown hospital.

Our proposed partnership ensures that **NHRMC will maintain a strong local decision making model**, with a meaningful voice across Atrium Health.

Atrium Health's long-term commitment to NHRMC will lead New Hanover to outstanding health for decades to come.

Atrium Health has **proven itself as a trusted partner to communities** in North Carolina, exceeding similar partner commitments in six other NC counties.

Atrium Health and NHRMC are like-minded healthcare providers with a **shared vision for advancing healthcare**.

Our long-term commitment will **substantially improve health outcomes** in the region.
